I'd like to receive trip/event schedules (4/yr) via: mail e-mail (one only).

I'd like to receive e-mail alerts from the DS Directors Board (our "DSEM" list.)

I'd also like to exchange e-mails with fellow DS members regarding desert issues, events, ridesharing, activities, etc. (our "DSOL" list.)

I'd like to offer my time, ideas, and expertise on the following committees:

I'm hesitant to volunteer or I'd like to help in other ways. Please have a Board member call me to discuss potential uses of my time and energy and/or volunteer alternatives.

I prefer only to enjoy the desert via DS trips and events this year. (Please keep in mind that Desert Survivors is a grass-roots, non-profit, philanthropic organization *powered solely by member good will and community spirit*. It has no paid staff and no corporate or foundation sponsors. Its effectiveness depends on member involvement. Individual member efforts, even for one hour per year, helps Desert Survivors fulfill its members' goal: to share, experience, and protect desert well-being and beauty. **We need member participation**, i.e.: please look again at the list above? Thank you.)
